TAX GAINS

TAX GAINS

In Luxembourg, certain insurance premiums are tax deductible and allow you to pay less tax on your income while remaining as well insured as possible.

Each year, the amounts deductible from your premiums are clearly indicated on the tax certificate that LALUX makes available to you free of charge in January.

OUTSTANDING BALANCE DUE INSURANCE

A significant tax gain is possible thanks to the single premium of the **Outstanding Balance Due insurance**, which can be fully deductible depending on your age and family situation, and which covers the loan for the purchase or construction of your principal residence.

MAXIMUM AMOUNTS DEDUCTIBLE FOR SINGLE PREMIUM CONTRACTS

	Until 30 years	from 31 to 49 years included*	50 years and more
Taxpayer	€ 6 000	€ 480	€ 15 600
Taxpayer + 1 child	€ 7 200	€ 576	€ 18 720
Taxpayer + 2 children	€ 8 400	€ 672	€ 21 840
Per additional child	€ + 1 200	€ + 96	€ + 3 120

* Increase per completed year of age in excess of the 30th year at the time of taking out the insurance.

If you and your spouse or partner, taxed collectively, are covered (whether in a single contract or in two contracts), the ceiling on deductible premiums is equal to the sum of the increases determined individually for each (the additional amount per child is, however, granted to only one of the parents).
