Declaration and investment election

This document should be completed, signed and returned to the HR department before the payment of the breakdown of premiums for the year 2020. Failure to complete and sign the document means that the previous investment choice (taking into account the switch of funds from C-Life to the LUX funds mentioned here below) continues to apply for the breakdown of premiums 2020. If your contract has any investment restrictions, these will continue to apply.

I the undersigned

Name	:	_____
First Name	:	_____
Date of birth	:	_____
Marital status	:	_____
Social security N°	:	_____

member of the occupational pension plan of the Employer, organised in the form of a unit-linked insurance product and a traditional life insurance product, do presently declare:

1. that I fully understand that the investment of the employer contributions in the occupational pension plan in the products mentioned in point B. below may lead to a final savings value lower than the value of the contributions made in accordance with the plan rules;
2. that I fully understand that only the product mentioned in point A. below guarantees at maturity date the final value of the contributions paid for active members;
3. that I elect, in full understanding of the consequences, the product(s) for which I have indicated a non-zero percentage and accept the amount resulting from this investment at the time of leaving service or retirement as the legitimate benefit resulting from the occupational pension plan.
